Summer Reading 2023

"All Together Now"

ALL AGES CAN PARTICIPATE!

HOW IT WORKS: Turn in your weekly reading logs to earn carnival tickets. Each hour read to your child earns them one ticket. Additional tickets can be earned by attending programs at the Library. Tickets can be used for games, food, and prizes at our end of summer carnival!

Early childhood literacy is important!

Children who are read to regularly exhibit higher activation in areas of the brain that support mental imagery and comprehension of narratives — key skills needed for independent reading comprehension. Story Times incorporate the early literacy skills that children must master before they can learn to read. Library programs have significant positive impacts on early development and help equip children with lifelong learning and literacy skills that help prepare them for school and beyond.
